## Preface

In this day possibly like no other, there is great confusion as to what the meaning of the word religion means. In this booklet the subject will be looked at from several different view points. All would agree that there is no agreement on its meaning. This has led to court cases, which only furthered the misunderstanding and disagreements. Generally religion can be put into the classification of; believing theory as fact, believing hypothesis as fact, occult, cult, I hope so, I choose to believe this, unsubstantiated opinion, lies, mass followings, sleight of the hand to sway the masses, following personalities, making man the final end of all things (the god-man) etc. Another way is to believe in things not seen, but can be believed by substantiated and provable truth, “prove all things.” 1 Thessalonians 5:21

This booklet will attempt to clarify some of the misconceptions. I do not however, believe it will resolve the issue. For someone said long ago “A man convinced against his will is of the same opinion still.” Nothing could be truer than this statement when dealing with the will, the spiritual, and the religious nature in man. Men rarely give up their religion, their own will, or their chosen direction of life, to follow ‘truth.’

Webster has recorded nine different yet similar expressions in human belief, actions, and directions of life. A comparison of each of the groups listed will be put into the category according to Webster's defined meaning of the word; Religion.

Here is the first of the nine:

Concern over what exists beyond the visible world. . . .It operates through faith or intuition rather than reason, and generally including the idea of the existence or a transcendent spiritual entity that has created the world, that governs it, that controls its destinies, or that intervenes occasionally in the natural course of its history, as well as the idea that ritual, prayer, spiritual exercises, certain principles of every day conduct, etc, are expedient, due or spiritually rewarding or arise naturally out of an inner need as a human response to the belief in such a being principle, etc.
2. A specific fundamental set of beliefs and practices generally agreed upon by a number of persons or sects: The Christian religion.

## **8. Assorting the facts**

The major thoughts of religion as seen and expressed by these groups are set before men in our day. This is not a complete list by any means. To analyze these thoughts we will use Webster's Dictionary to classify what religion is. What Jesus Christ, the apostles, and the devil's stated purposes are there is no dispute, they are spiritual. In the devil's case it is spiritual deception and darkness. We will go down the list of each of Webster's nine meanings and put the other categories or groups in where they fit.

We will start with the first explanation from Webster:

**1. Operates through faith or intuition rather than reason:**

1. Agnostic or atheist: K. L.
2. Evangelical Church: F. H. I.
3. Evolutionist: F. I. J. K. L. M.
4. The Courts: A. B. D. G.
5. The humanist: A. B. C. D. J. K.

**2. A specific fundamental set of beliefs and practices generally agreed upon by a number of persons or sects**

2. Evangelical Church: C. D. F. G. H. I.
3. Evolutionist: B. D. I. J. K. L.
4. The courts: A. B. G.
5. The humanist: A. B. C. D. F. I. J. K.

**3. The body of persons adhering to a particular set of beliefs and practices**

1. Agnostic or atheist: K. L.
2. Evangelical Church: C. D. E. F. H. I.
3. Evolutionist: C. E. F. I. J. L. M.
4. The courts: A. B. D. G.
5. The humanist: A. B. C. E. F. I. J. K.

**4. A deep conviction of the validity of religious beliefs and practices**

1. Agnostic or atheist:
2. Evangelical Church: A. C. D. F. G.
3. Evolutionist: I. J. L.
4. The court:
5. The humanist: D. E. H. I. K.

**6. The practices of religious beliefs**

1. Agnostic or atheist: K. L.
2. Evangelical Church: A. B. C. D. G.
3. Evolutionist: F. J. L. M.
4. The court: A. B. D. G.
5. The humanist: D. E. H. I. K.

**7. A point or matter of ethics or conscience**

1. Agnostic or atheist: K. L.
2. Evangelical Church: B
3. Evolutionist: E. M.
4. The court: A. D. G.
5. The humanist: A. H. I. K.

**8. Archaic, religious rites**

1. Agnostic or atheist
2. Evangelical Church: B. E.
3. Evolutionist: K.
4. The courts:
5. The humanist: I. J. K.

**9. Archaic, strict faithfulness; devotion a religion to one's own conscience,  
piety**

1. Agnostic or atheist: K. L.

3. Evolutionist: I. J. K. M.
4. The court: A. B. G.
5. The humanist: A. C. D. E. I. J. K.

The result of which group is the most religious is found in adding up the amount of letters (points) scored for each group. It is admitted that there are imperfections in this way of getting to the facts, however, these groups are known for the statements attributed to them.

1. Agnostic or atheist = 16 points
2. Evangelical Church= 39 points
3. Evolutionist= 39 points
4. The courts= 24 points
5. The humanist= 54 points

The agnostic or atheist scored the lowest; the humanist (naturalist) scored the highest. All of these groups claim to be non-religious, with the exception being the Evangelical Church which was in second place with the evolutionist.
